PROFESSIONAL HAIRCARE

Featuring the exclusive Micro-Diamond Complex  - a unique blend of hair perfecting ingredients and real diamonds to reveal sumptuous body, silkiness and intense radiance. Formulated to gently remove toxins and build-up from the scalp and hair, whilst dramatically transforming hair's condition.

Diamond Dust Conditioner

Exclusive Micro-Diamond complex; with real black diamonds and white diamonds, pearl dust, champagne and white rose petal oil, delivers ultimate nourishment, transforming your hairs condition, leaving it beautifully smooth, silky, yet weightless and with an intense radiance. Free from sulphates and parabens. Suitable for all hair types.

Shine-enhancing properties from pearls combined with rich, lightweight oils extracted from white rose petals work to strengthen, protect and provide intense moisture and hydration. Leaving hair revitalised with shine, softness and bounce.

Apply to freshly shampooed hair, leave in for one minute and then rinse. For the ultimate results, use with [Diamond Dust Shampoo](#) a gentle yet deep cleanser lifting toxins to reveal hairs natural shine.
